

HOTSOX

WOMENS MENS KIDS

A CREATIVE PEDIGREE

Born in 1971 from the creative union of music, art, style and pop culture, HOTSOX invented the fashion sock category, ushering in a new form of self-expression. Founded by husband and wife duo Gary and Sarah Wolkowitz, a pioneering album cover artist and a designer, HOTSOX became their canvas to highlight the zeitgeist of the moment.

Today HOTSOX continues this tradition. Reflective of modern culture, HOTSOX gives voice to individuality through inspired design.

Liberating the creative voice within each of us, HOTSOX is exceptional sock-wear that allows your self-truth to be fully expressed.
